SOME REMARKS ON THE FORMATION OF THE MARRIAGE UNION

THE TORY GALLANT

BY WILLIAM PE—

"A man may be amazing, and
Then turn about and play the d——l"
De Lacy.

In the Revolutionary War, while the British forces were in possession of the city of New York, among the gallant officers of the army which he had been creditably informed was connected with Toryism, although it was by no means distant from the city. He rode a beautiful horse that seemed perfectly trained to his service, and his dress was neat and trimmed to a modish degree. What with a regular face and hair cropped on a red coat and trimmed as if it were but a day old, buff small clothes, and boots in the military style, and a snow white plume that nodded over his brow, he was correct to entrap a whole coterie of the ladies, and to bring every man to bay, Whig or Tory, long enough to get "one look at him." He dismounted, gave his horse to a hostler and stepped upon the pastorm.

The landlord was a stoutly built man, having high cheek bones and a rather large mouth; but these marks of physiognomy which might indicate a choleric and sensual character, were opposed by the double expression that lurked in his small blue eyes—a trait that would puzzle an entire stranger who would stake his purse upon a conjecture respecting his real character. He saw at once that the stranger was fully aware of his own importance as a
